

a step ahead in acrylic fibers

Fully in line: dralon® at the Heimtextil 2011

With its motto »Durable and innovative into the future« Dralon GmbH presented itself in Frankfurt as a contemporary company, in line with the coming home-textile season. Again, numerous interested visitors were able to see for themselves the unique product characteristics at the Dralon exhibition stand and personally obtain details regarding the activities of the Dralon GmbH concerning the topic of »durability«. The Dralon-exhibition stand was an international meeting point and enjoyed a constant stream of

visitors throughout. »Our special thank you this year goes to the Dralon-representatives from Spain, Syria and Morocco/Tunisia for their efforts«, said Manfred Borchers, Sales- and Marketing Manager of Dralon GmbH. On the whole the Dralon GmbH is looking back on an extremely successful event and positive feedback throughout. Dralon GmbH extends a hearty thank you to the Exhibition Frankfurt for a perfect organisation.
