

Press Release

Fire at Dralon GmbH in Lingen – no personal injuries

On 25 July 2017 at 10.30 a.m. a fire broke out at Dralon GmbH in Lingen in the area of the Polymer dryer. The internal as well as the external fire brigade arrived immediately and were able to extinguish the fire after one and a half hours. Fortunately, there were neither injured nor missing persons. According to the police no harmful hazardous substances were detected in the fire smoke. The reason for the outbreak of the fire is still unknown but an investigation has been already started. Furthermore, the amount of the damage cannot be clearly seen yet. Further information will follow after the damage analyses.

We want to thank all employees and external staff for their support and their prudent and responsible action.
